[Pedes, will I see you in DC on the 6th?! I just spent \\$2k and I'm flying in from across the country. Just had a baby a few days ago too, but the wife supports my decision to go \(she's a patriot\). This is some serious stuff happening, and all patriots need to be there if at all possible. I live close enough to drive there. My van is my work van (I'm an electrician) so it blends well pretty much everywhere. I'm actually about to leave in 15 minutes and once I'm down there I'm going to stealth camp in it.. See you in DC! Wooo!

I am nervous about going but I will be there with a few friends. I would normally never do something like this. The evidence of voter fraud is overwhelming. We cannot let this stand. I will drive there from Michigan, where I wish our legislature had more courage. I am worried about my safety but this is more important.

Now this Patriot would have a perfect excuse for not attending, but he is making the sacrifice to be in DC. I've been reading post of people making the Soyboy-Soymilk Liberal excuses. For example; My wife will not allow me to go, My eight friends and I can't afford a hotel, It's going to be cold, nothing will be open, there is no parking or public bathrooms, I don't know how to use search tools, I can't think for myself, I'm scared of the DC Mayor, ANTIFA, & BLM. I don't know how to find a Metro station, etc. JFC for the love of GOD grow some BALLS.

We will preserve for our children this, the last best hope of man on earth, or we will sentence them to take the first step into a thousand years of darkness. If we fail, at least let our children and our children's children say of us we justified our brief moment here. We did all that could be done."

[Its a comment I made on another post, but I think it is important to be prepared. Cant go, but I am doing what I can to get information. Be safe, and be prepared.]

<https://www.neighborhoodscout.com/dc/washington/crime>

<https://www.therealstreetz.com/2020/04/17/washington-dc-hoods/>

<https://www.roadsnacks.net/worst-neighborhoods-in-washington-dc/>

<https://www.fbi.gov/investigate/violent-crime/gangs/gang-news>

Here is some information so you can plan on the way there. The biggest thing is the MS-13 Gang being the most notable in the DC area. On top of that I have seen from all over the internet of Antifa likely showing up(Don't know the size, but assume it to be just large enough to cause a stir so that those in Congress can pass some bull law).

BLM well this is the latest so far:

<https://news1a.localad.com/2021/01/01/the-antifa-blm-armed-insurrection-erupts-in-washington-dc-yet-again/>

Also, this might be either good or bad(don't know really, but cornered rats tend to try to make a mess when escaping):

<https://news1a.localad.com/2021/01/02/dc-officials-begin-to-panic-over-massive-trump-march-taking-place-on-january-6/>

I hope nothing happens to those going, but with this as well as the quiet from Antifa and BLM in the last 2 weeks tells me either they are going to lay low or they are going to cause a ruckus if not attack those in the narrow path ways to or from the meeting area.

Just be prepared
